## 1 Corinthians 16

**Focus:** *to call us to follow Paul's challenging example in loving the church*

Read the entire chapter and then list all the indicators of Paul's love for the church (in Corinth and elsewhere).

Which of Paul's loving actions towards the church is most challenging/encouraging for you?

What do you think are challenges for NW as a church body to consider in loving churches outside our own?

Read vv. 13, 14 and discuss how you should respond to these exhortations?

What is one practical step you think that the Lord wants you to take to be more loving towards Him, especially as regards loving the church?
