## Benched!

Deut. 3.23-4.14

**Focus:** *On cultivating a humble obedience that impacts neighbors, nations and our children.*

Read 3.23-29. Why would this have been so hard for Moses to hear? Have you ever felt like you were in a similar situation, where God said NO to your desires? What enables him to obey in spite of his desires? And how can we follow Moses' example in obedient submission to God?

Read 4.1-14. In this section, Moses is especially concerned about how the obedience of God's people affects neighboring nations and also their own children. How should our obedience be observed by our neighbors? What do you need to do to better represent God to those who you live and work near?

How are you going to pass on the 10 commandments to your children? Share ideas and strategies on this.

If you are single or married without children, how would you apply the first part of v.9, "9 "Only take care, and keep your soul diligently, lest you forget the things that your eyes have seen, and lest they depart from your heart all the days of your life."?
