NWC Questions

for Personal Study and Small Groups 11/11/12

Why I Give

Focus: on providing Biblical encouragement to the church to offer our JOF commitments as worship to God for the good of our souls and our mission.

Without looking at your notes, see if your group can list all 5 of the reasons to give that were given in the sermon on Sunday. (resort to notes if need be!)

Which of those motivations was most compelling to you and why?

Read 1 Tim. 6.6-21 and discuss how regular, faithful giving to the needs of the church helps align our hearts with the truths of this text.

In light of the example of Acts 4.34, where money was given to the leaders' for them to allocate to needs, how do you feel about giving to the church generally, when you don't have complete control of how the money is being spent? how is that a struggle for you? how is that a good spiritual exercise for you? (cf. Heb. 13.17)

Discuss what the barriers are to being generous towards something as "unsexy" as a mortgage payment. Try to provide Scriptural motivations that will overcome those reluctances.

OPTIONAL: Have your people read this article and discuss what the bible teaches about debt and how personal debt relates to giving to the church: http://randyalcorn.blogspot.com/2009/06/question-and-answer-paying-down-debt.html
