

# NWC Questions

for Personal Study and Small Groups 12/30/12

---

## *All Out Worship!*

**Focus:** *to discover what are visually observable expressions of God honoring worship and to encourage us to embrace these in our worship.*

- read Ps. 108.1 and 63.1-4. From these and other scriptures, what is a heart that honors God in worship?
- Contrast this with Matt. 15. 8, 9 and 7.21-23. What pitfalls must we avoid in our worship of God? What heart attitudes taint our worship?
- Read 2 Chron. 20.17-22. What can we learn from this example of demonstrative worship of God?
- Read the following verses and discuss what each physical expression of worship expresses. Ps. 147.1; 95.6; 47.1, 6; 33.1; 134.2; 149.3
- What makes us struggle with these expressions? when others do them? when we do or don't do them?
- What keeps you from freely expressing your worship in these ways?
- What would be one area you think God would be honored by you becoming more expressive in?
