

Don't forget!

Acts Review

Focus: remembering the major flow of the book of Acts and what the Spirit has been prompting us to be and do

Discussion:

- see if anyone can remember the rough outline of the book of Acts and what verse gives us that outline.
- Have your group share what the major themes of the book of Acts are. You may want to list them on a white board.
- Have them look through the book and their notes and share which passage God most pressed upon them. You may want to have them come prepared to do this by asking them to spend one of their devotional times reviewing what God has been teaching them.
- As people share their "takeaways", have them express how the group can be praying for them in this area. Have someone pray for them when they share this request.

This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success.

Joshua 1:8
