

Loving Our Redeemer

Focus: on growing large our love for God who is our Redeemer

Discussion:

- Read Eph. 1.3-10 and list every insight you find about God and what He has done for us in the passage. You can do this collectively or individually and then compile your answers into a single list. A whiteboard would be helpful.

RESOURCES:

Here is a helpful sermon manuscript by John MacArthur on Eph. 1.6-10.

- Spend the remainder of your time doing two things:

- 1) Let each person share which insight is most meaningful for them and why. Encourage interaction and ask questions to draw their insights fully!
- 2) Spend time in prayerful worship of the God we love! You can either pray through the passage a verse or two at a time, or allow people to read the verse that prompts their worship as they please!

2016 Annual Priority:

To establish a greater devotion to owning and being shaped by the three great loves embedded in our mission statement's goal of becoming a mature and ministering worshiper of God; love for God, love for the church, and love of neighbor.
