

# #jesus>thedevil&death

Hebrews 2.10-18

*Focus: on trusting Jesus with our greatest fear because he was willing to become one of us and, as our high priest, deliver us from our sins and the fear of death*

## RESOURCES:

*I found John Piper's brief sermon notes very helpful again this week:*

*(SGL's please encourage your people who are not serving this semester to come to LifeChange next week as we focus on spending time with Jesus)*

## 2017 Annual Priority:

*To embrace & exalt Christ as most worthy in our lives, that we might:  
know Him truly, Love Him supremely, obey Him faithfully, and share Him gladly*

## Discussion:

- How do you see the fear of death affecting our society? Share a time when you were aware of it affecting you.
- Read the passage together. List all the insights you can glean about Jesus from our passage. Have people share the one they are most delighted by.
- What insights can you glean about the purposes of the incarnation from our passage?
- How is it that Jesus' death destroys the devil and frees us from the fear of death? How ought those truths affect you? How can you more fully walk in those truths?
- How does v. 18 comfort you? How ought this affect the way you deal with temptation?
- What is the teaching about Jesus in this passage you want to meditate on more fully this week? How will you do that?
