### NW's 2018 Priority

*Bought: we belong to Christ!*

we want to ...

- be captivated by the truth that we belong to Christ, that we are His people and...
- be in awe of this privilege...
- respond in willing obedience...
- invite others to join us!

### Discussion:

- **Review exercise:** see if you, as a group, can recount what is in each of the first 6 chapters of Joshua without looking at your Bibles!
- **Option:** watch the first 3 minutes of the Bible Project video we showed in the services (the link is in the sidebar).
- Assign each member (or 2-3 together) of your group one of the first 5 chapters. give them about 5 minutes to read it over and note any insights they see into God's character.
- Have each member/group share the insights they saw from their chapter. Then ask any one in your group to share any recollections of how this chapter impacted them when they studied it (they may want to grab their sermon notes if they take any).
- Share ideas about how reading the Bible "looking for God" can help you love God more. How might this practice look in your personal time reading/studying the scriptures?
- How might praying 'Peter's Prayer' fit into your day?  
"Lord, you know that I love you. Help me love you more."
- **Missional opportunity:** discuss with your group about supporting Human Coalition through their 4,000 steps campaign.
